

RECCE-VITE (Trenna-ism)

= Explore somewhere, something or go to an event within 2 hours in the morning 10am – noonish.

This is about keeping in touch with places & happenings.

Only go to one pre-defined site, event or area. Be clear about where & what we are doing.

Prepare ahead! Know route, entrance cost, opening hours etc.

Stop for morning tea/coffee as part of the R-V.

Xpress magazine has cool places to go.

Galleries may be pop-ups, so check exhibit times.

Take small water bottles, camera, & my inflatable cushion.

If going where binoculars would be useful - TAKE THEM!
